Students have to grow her thinking power & try to solve all the problems & if they have any doubt then they will ask the teacher for their better experience

1. Smart class required.
2. Library required.

Nothing, everything is perfect as expected

Our institution is all ready too good in teaching so I can not I suggest any suggestions .

Teachers should encourage the student to improve knowledge in different section.

Need extra and higher quality study material

Required more teacher

Aqua guard should provided to each department

All teachers are excellent

1st I want a good laboratory for zoology department and toilet and supply drinking water for students also, than a well developed library for all students, Repairing of those hostels which are found inside and out side of college campus .

This is not my suggestion this is my request to you sir/Mam .

No suggestions it good

Library development

The improvement of teaching and learning process.

Girls common room, water cooler facility, computer lab

Smart Class Room, internet,Use visual media

Improving in sanitary facilities department wise and improving teaching learning process little more

Every One Trying Their Best In Teaching

I feel proud to be a part of my college.

They are best teacher , mentor and educator , i have ever seen .

I have no suggestion for them .

If it is necessary then I would like to suggest that , they should conduct a weakly exam. They should conduct daily question answer session for knowledge improvement of students.

As I already said that they are best in teaching and motivating students for future.

Toilet

Large hod room

Water management for garden

There haven't sufficient workers are available in our college. There have no a single Department available for arts students. No boys and girls common room in our campus. Latin and bathroom also not available in science department. For learning this is the basic need of students which are not available in our college.

1. Use Technology
2. Encourage active learning
3. Foster a positive learning environment

Smart classes,

Be encourage to the students for extra curricular activities

Planting trees,Good study,

Teacher's and student communications is very nasecare so please improve the teacher's communication skill

Hello i m +2 science student Some teachers don't know about physics but they become Physics department hod such type of things is disturbing and also some teachers are also so much arrogance and not student friendly at all also these teachers didn't know anything about the subjects they teach but there are some good teachers also present like English teacher I humbly request the karanjia Autonomous college to improve there quality of faculty and also behaviour.....

I hope you read this and try to improve the faculty quality.....

Using projector to better education learning skills for students.

Be encourage to the student for extra curricular activities.
